Description

The beautiful period building was transformed in 2012 to create without doubt a fantastic student environment where residents settle into university life easily and become part of The Pack Horse 'community'.

Whether you pick an en suite bedroom (and share a kitchen) or the privacy of a fully equipped luxury studio – making friends is easy.

Facilities include a vast central common room where residents can hang out, play pool, table tennis or watch a movie on the large projector screen. For keep fit fanatics – the fully equipped gym on the first floor is a great place to develop a six pack.

The short walk to the University (10 minutes) means you'll never be late for lectures. In between lectures, whether you're into clubbing, retail or culture – living at The Pack Horse means it's all on your doorstep!

CCTV in common areas and electronic key fob access ensure your safety. Additionally, there's always someone to greet you after a night out – our concierge service provide a listening ear if you've got a problem and can provide help and advice should you need it. Quite simply, The Pack Horse is the place to be!
