Description

Positioned at the head of a quiet and highly desirable cul-de-sac, this deceptively spacious semi-detached bungalow presents a superb opportunity for those looking to downsize without compromise, or for buyers seeking a home with flexible, family-friendly accommodation.

Externally, the property immediately impresses with its low-maintenance frontage, featuring a smart resin driveway providing off-street parking, alongside a neat garden area. The driveway extends to the side elevation, leading to a detached garage, offering further practicality and storage.

Stepping inside, you are welcomed by a generous dining hallway, setting the tone for the well-proportioned accommodation throughout, with stairs rising to the first-floor dormer level. The bay-fronted living room is a standout space—spacious, and ideal for both relaxing and entertaining. The ground floor bedroom is equally impressive in size and benefits from fitted sliding wardrobes, providing excellent storage.

The contemporary shower room is stylishly appointed, complete with modern fittings and a chrome towel radiator. The kitchen has been thoughtfully designed with a range of wall, base, and drawer units, complemented by ample work surfaces. Integrated appliances include a dishwasher, alongside a hob with extractor over, eye-level oven, and microwave, while a wall-mounted combination boiler is neatly housed within the units.

To the rear, a conservatory offers an additional reception space, enjoying pleasant garden views and French doors opening out onto the south-facing rear garden—perfect for enjoying the warmer months.

The first floor reveals two versatile dormer rooms, both benefiting from useful eaves storage. The rear room includes fitted units with a wash hand basin, while the front room offers fitted wardrobes, making these spaces adaptable for bedrooms, hobbies, or home working.

Externally, the rear garden is a real highlight—south-facing and designed for ease of maintenance, with resin patio areas and raised beds creating an attractive and usable outdoor space. There is also direct access to the garage.

While the property would benefit from some general updating, it offers enormous potential to create a truly special home tailored to your own taste and requirements.

Early viewing is highly recommended—contact our Norton team today to arrange your appointment.
