Description

Sold via Secure Sale online bidding. Terms & Conditions apply. Starting Bid £250,000

Occupying a generous plot in a well-established residential road, this semi-detached property on Sherfield Avenue presents an exciting opportunity for builders, investors and buyers looking to create a home tailored to their own tastes.

Requiring complete refurbishment throughout, the property offers excellent scope for improvement and extension (subject to the necessary planning permissions), making it ideal for those seeking a project with genuine upside potential.

The accommodation currently extends to approximately 1,152 sq ft and comprises a number of flexible reception rooms, two bedrooms and a family bathroom. While the house requires extensive modernisation, it provides a substantial footprint and versatile layout that could be reconfigured and enhanced to suit a variety of requirements.

One of the property's standout features is its generous plot. To the front, a large garden and private driveway provide ample off-road parking and offer the potential to further enhance the property's kerb appeal. The overall size of the plot creates exciting possibilities for extension or redevelopment, subject to the necessary consents.

Sherfield Avenue is conveniently positioned for access to local shops, schools and everyday amenities, while Havant town centre offers a wide range of retail, leisure and dining facilities. Havant railway station provides direct services to Portsmouth, Chichester and London Waterloo, and the A27 and A3(M) are easily accessible for commuters. For those who enjoy the outdoors, Langstone Harbour, Staunton Country Park and the South Downs National Park are all within easy reach.

Offered for sale chain free via auction, this is a rare opportunity to acquire a substantial renovation project with excellent potential in a popular and well-connected location. Early viewing is highly recommended to fully appreciate the size of the plot and the scope on offer.
